

67th Annual Rose Festival Fundraising Campaign

The 67th Rose Festival will be here before we know it! Always the third full weekend in June, this year's festival runs **Thursday, June 19th - Sunday, June 22nd.**

As a 501(c)3 non-profit organization, the support we continue to receive from our community--individuals, businesses, and organizations--has helped keep this festival going strong and growing year after year.

For that--we thank you tremendously!
